Date: 6th November 2007

I refer to your request for information about Civil Servants employed by DFP on secondment to non public sector bodies which we received on the 23rd October 2007.

I am writing to confirm that Department of Finance and Personnel has now completed its search for this information.

Three officers are currently seconded to non public sector bodies.

In all cases the non public sector bodies are responsible for all costs while on secondment.
