## **DISCOUNTS FOR REGISTERED CHARITIES**

Land & Property Services (LPS) intends to continue the policy established by Ordnance Survey of Northern Ireland to offer a 50% discount on the cost of all digital data, paper products and copyright royalty charges, save and except where such charges relate to products and services of the former Land Registers of Northern Ireland.

The Crown copyright acknowledgements, including the display of our logos must still be applied.

We trust that this will assist registered charities to achieve their respective goals.

Please note that no discount will apply to any services offered by LPS. Discounts do not apply where the registered charity wishes to exploit the materials supplied for financial gain or profit.

On receipt of proof of registered charity status LPS will be pleased to discount your invoice by 50%.

For further information in relation to this policy, please contact the Intellectual Property Rights Branch of LPS.
