### Copyright Royalty Rates Effective from 1<sup>st</sup> April 2011

You need a Publishing Permit to publish Land & Property Services (LPS)/Ordnance Survey of Northern Ireland® (OSNI®) branded Intellectual Property (IP). See Publishing 3 Guidance Notes.

The rates shown below apply in all cases regardless of whether the publication is sold at a price or is free.

**Our minimum charge for the issuing of a Publishing Permit is £43.50 plus VAT**

### Categories of copying

#### Category A

This category covers from exact copies of LPS/OSNI branded mapping (in whole or in part), to a redrawn or derived copy, which uses 3 or more components as defined in Publishing 1.

#### Category B

This category covers maps which use less than 3 components as defined in Publishing 1.

**The table below shows the Copyright Royalty rates, in pence per square centimetre, for each map within your publication. These rates do not include VAT.**

Category	Pence per Square Centimetre
A	0.0226 of a penny
B	0.0076 of a penny

**For each print run of the publication containing the map(s), discounts on the above rates will apply as shown below.**

Print Run / Copies	Discount
0-500	0%
501-1000	10%
1001-2000	20% (maximum discount if advertising is included)
2001+	Please refer to Publishing 2B

#### **Notes:**

To find out the Copyright charge, measure the area of your finished map size for each map in sq centimetres and, using the correct category, multiply the appropriate charge (A or B) shown above by the area in sq cm and by the number of copies. Apply discount, if any, based on the print run.

**For example:** You wish to publish 2 map illustrations in a book. The first map is 150 sq centimetres, the second is 180 sq cm. Map1 is essentially unchanged in design and content from the LPS/OSNI branded original. Map2 is a simplified and amended version containing less than 3 components of our original IP. Your proposed print run of the book is 1500.

For Map1 Category A applies, ie 0.0226 pence per sq cm X 150 sq cm X 1500 = £50.85, - 20% discount = £40.68  
For Map2 Category B applies, ie 0.0076 pence per sq cm X 180 sq cm X 1500 = £20.52, - 20% discount = £16.42

- For maps derived and redrawn at a scale of 1:1,000,000 or smaller, our minimum charge will apply.
- Rates apply to copies printed from 1<sup>st</sup> April 2011. These rates will be revised from 1<sup>st</sup> April 2012. Copies printed after this date may attract different Royalty charges.
- For publications, which are supported by advertising, the maximum discount will be 20% off the standard rates.
- VAT is charged at the rate prevailing on the date of the invoice.
