VAT is charged at the rate prevailing on the date of the invoice.

The table above shows the options that LPS offer to Estate Agents. This offer is based on an extensive exercise carried out to assess Estate Agents' requirements. This offer is not available to commercial or occasional publishers and does not replace normal publishing rates, for this please refer to Publishing 2, 2A or 2B and 7 for Internet Publishing.

Further information relating to Copyright in LPS/OSNI branded IP can be obtained from:
